WEATHER

The children will be going outside every day, as long as the wind chill is above 20 degrees. So please dress your child in appropriate winter attire.

In the event of a winter storm, please watch Fox2 News to see if Planet Kids is closed.

When public schools are closed due to weather or scheduling, students can attend on a drop-in basis.

HighScope for Parents

Developmentally appropriate evaluation procedures.

The two main objectives of early childhood evaluation are to assess program quality and to assess children's development. Administrators use program evaluation to make decisions about agency policies and staff development. Teachers use child evaluation to plan appropriate educational activities for individual children and the class as a whole.

A BIG Thank you to all the families that participated in the Achatz Pie Fundraiser the school raised \$1,000.00
