As the school year is coming to an end, we just want to take this opportunity to tell you the parents; "thank you". Each child who has been in our care here at Planet Kids has touched our hearts.

We have done our best to meet the needs of all the children and their families. Please let us know if you ever have any concerns or there is something we can do to make the transition from home to school any easier.

"Our children are only ever lent to us. We never know how long we will be able to keep them for. So kiss them, cuddle them, and encourage them; hold them tightly. But most of all... tell them that you LOVE them."
