New this year we will also be giving to The Rainbow Connection

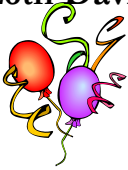

The Rainbow Connection makes dreams come true for Michigan children diagnosed with a life threatening illness. Planet Kids will be having a fundraiser by donating special items that will be placed in a large envelope called a Happy Pack. Envelopes will then be filled with the items that have been collected and then mailed out to a special child that is in need of having their day brightened. This program is a rewarding experience that allows children to make a difference in their own community by helping their peers during this most difficult time.

We will accept donations from November 19th to December 13th.
