Holiday Giving Opportunity

We will be collecting wish list items for
Grace Centers of Hope in Oakland County

*Please see attached Flyer for needs list

**We will accept donations from
November 25th to December 11th.**

***Please check your child's cubby for more info in the coming weeks.**

We will also be giving to The Rainbow Connection

The Rainbow Connection makes dreams come true for Michigan children diagnosed with a life threatening illness. Planet Kids will be having a fundraiser by donating special items that will be placed in a large envelope called a Happy Pack. Envelopes will then be filled with the items that have been collected and then mailed out to a special child that is in need of having their day brightened. This program is a rewarding experience that allows children to make a difference in their own community by helping their peers during this most difficult time.

HighScope for Parents

What are HighScope's goals for young children?

HighScope is a comprehensive educational approach that strives to help children develop in all areas. Our goals for young children are:

- To learn through active involvement with people, materials, events, and ideas
- To become independent, responsible, and confident — ready for school and ready for life
- To learn to plan many of their own activities, carry them out, and talk with others about what they have done and what they have learned
- To gain knowledge and skills in important academic, social, and physical areas
